

EVERGREEN FARM SUBDIVISION SECTION 2 DECLARATION OF PROTECTIVE COVENANTS AND RESTRICTIONS

HUNTON LANE

The real estate above described (hereinafter called "this Subdivision") is developed adjoining Evergreen Country Club, Inc., a private membership owned country club, (hereinafter called "the Country Club"). This subdivision adjoins the land of the Country Club, however, Evergreen Farm Subdivision, is a separate legal entity from Evergreen Country Club, Inc. It is contemplated, though not required, that all, or a great majority, of the lots in this Subdivision will be owned by members of the Country Club.

Thus, because of the mutual and parallel interests of the said two entities, the real property above described is hereby made subject to protective covenants and restrictions hereby declared for the purpose of insuring the best use and most appropriate development and improvement of the Country Club and each building site in this Subdivision; to protect the Country Club and the owners of the building sites against such improper use of surrounding building sites as will depreciate the value of the property of each; to preserve, so far as practical, the natural beauty of said property; to guard against the erection thereon of undesirably designed or proportioned structures, and structures built of undesirable or unsuitable materials; to obtain harmonious color schemes; to insure the highest and best development of said property; to encourage and secure the erection of attractive homes thereon, with appropriate locations thereof on building sites; to secure and maintain proper set-backs from streets, and adequate free space between structures and in general, to provide adequately for a high type and quality of improvements on said property, and thereby to enhance the values of investments made by purchasers of building sites therein.

1. In order to ensure that the intent and purposes of these protective covenants and restrictions are complied with an Architectural Control Committee (hereinafter called "the Committee") is hereby established which shall have full authority in enforcing same.
2. The Architectural Control Committee shall be composed of (3) members. The initial members shall be: John J. Norman, Joe H. France, and Stanley A. Owens. The permanent address of the Committee shall be 9317 Grant Avenue, Manassas, Virginia 22110, until changed by action of the Committee after notice to the lot owners. Any two of the three members may act for the Committee. The membership term of the Committee shall terminate on December 31, 1986, at which time its duties and powers will be assumed by the Architectural Control Committee for Evergreen Farm Subdivision, Section 1, heretofore established, unless terminated as hereinafter provided. In the event of death or resignation of any member of the Committee, the remaining members shall have full authority to designate a successor. The members of the Committee shall not be entitled to any compensation for services performed hereunder.
3. No building, structure, fence, utility yard, horse pasture or paddock, screen planting or other improvements shall be erected, placed or altered on any premises until the building plans, specifications, and plot plans showing the location of such improvements on the site have been approved in writing as to the conformity and harmony of the external design and external materials. The Committee, in approving or disapproving such plans, shall take into consideration the location of such buildings, etc. with respect to topography, golf course, finish ground elevation and neighboring structures.
4. In the event the Committee fails to approve or disapprove such plans, design, specifications or location within 30 days after such have been submitted, or, in any event, if no suit to enjoin the erection of such building, improvement or making of alterations has been commenced prior to the completion thereof, such approval will not be required and covenant (3) shall be deemed to have been fully complied with.

5. The lots of this Subdivision shall be used for residential purposes only. No purchaser of a lot in this Subdivision, other than an owner of Outlot A, shall be allowed to subdivide a lot so as to produce a greater number of smaller lots. More than one lot, however, may be used for the erection or placement of a residential structure provided that the location of such structure is approved in writing by the Committee. The operation of this particular covenant shall cease after January 1, 2020.

6. No structure except as provided in paragraph 12 herein, shall be erected, altered, placed or permitted to remain on any building site, other than one detached single family dwelling not to exceed 2 ½ stories in height, and a private garage for not more than four cars. It is expressly provided, however, that an efficiency apartment of not more than three rooms may also be constructed on any lot provided it is accompanied by a main dwelling as herein provided, which apartment may be occupied by domestic servants employed at the residence on the same lot or may be used as a guest house. Such apartment shall not be used otherwise, and in no event shall such apartment be rented. Such efficiency apartment may not be constructed unless the main dwelling has first been constructed or unless they are constructed at the same time.

7. Except with the prior written approval of the Committee no building of any kind, including garages, shall be located on any lot less than 75 feet from the front lot line, or less than 50 feet from any rear lot line, or less than 20 feet from any side lot line.

8. All residential structures, shall have a finished, heated living area, exclusive of porches, breezeways and garages, of not less than:
 - a. For two-story, split level and bi-level structures: 2,600 square feet of such area.
 - b. For one-story structures: 2,200 square feet of such area.

9. No obnoxious or offensive trade or activity shall be carried on upon any lot, nor shall anything be done thereon which, in the judgment of the Committee, may be or become an annoyance or nuisance to the neighborhood. No signs, or billboards shall be erected or maintained on the premises unless approved in advance by the Committee. No trade materials or inventories may be stored upon the premises and no trucks, tractors, trailers or equipment may be stored or regularly parked on the premises except in garages or utility yards as provided in paragraph 16.

10. No trailer, basement (unless said basement is a part of a residence erected at the same time), tent, shack, other out buildings or any temporary structure shall be erected or placed on any lot covered by these covenants, except as specifically permitted herein, and in no event shall such be used as a residence.

11. No animals or poultry of any kind, other than pets and horses as set forth in paragraph 12, shall be kept or maintained on any lot. Such allowable pets, or horses may not be kept for boarding, breeding, or maintained for any commercial purposes whatever.

12. Lot owners may keep hoeses or ponies, except that the number of horses or ponies shall not exceed for each lot the number set opposite the lot designations as follows and the offspring of any such horses or ponies shall not be counted within the following numbers until after one (1) year of age:

| Lot No. | Number of Horses Allowed |
|----------|--------------------------|
| Outlot A | 5 |
| 1 | 3 |
| 2 | 4 |
| 3 | 3 |
| 4 | 3 |

| 6 | 3 |
| 7 | 4 |
| 8 | 4 |
| 9 | 4 |
| 10 | 2 |
| 11 | 6 |
| 12 | 4 |
| 13 | 4 |
| 14 | 4 |
| 16 | 4 |
| 17 | 5 |
| 18 | 3 |
| 19 | 2 |
| 20 (including Parcel B) | 5 |

Stables or suitable structures for such horses or ponies are required and such structures are subject fully to the provisions of paragraph 3 herein.

13. Adequate off-street parking shall be provided by the owner of each lot for the parking of motor vehicles owned by such owner. Owners of lots agree not to park their motor vehicles on the streets in the development.
14. The Evergreen Country Club lake and golf course and all facilities related thereto are the exclusive property of the Country Club and no lot owner in the Subdivision shall have any right to use said facilities of the Country Club by virtue of owning a lot in this Subdivision.
15. Each lot owner shall keep his lot and recreation easement free of tall grass, undergrowth, dead trees, trash and rubbish, and properly maintain it so as to present a pleasing appearance, and shall maintain the proper contour of the land in order to prevent erosion. In the event a lot owner does not properly maintain his lot as above provided, in the opinion of the Committee herein above mentioned, then the Committee may have the required work done and the cost thus incurred by the Committee shall be paid by the owner.
16. Each lot shall have thereon one or more utility yards and at least one such utility yard shall be constructed at the same time the main residence is constructed, unless provisions are made for the housing of the items set forth below either in the main residence or garage. Plans for such utility yards shall be submitted together with plans for the main residence. Each utility yard shall be screened by fencing or shrubbery with the height, design and materials to be approved by the Committee. The following buildings, structures, and objects may be erected and maintained and allowed to remain on the lot only if the same are located wholly within the main residence or wholly within a utility yard: pens, yards, and houses for pets, (exclusive of horses) above ground storage of construction materials, wood, fuel oil tanks, clothes racks and clothes lines, clothes washing and drying equipment, laundry rooms, tool shops, work shops, garbage and trash cans, boats and boat trailers, campers and trailers.
17. All telephone, electric and other utility lines and connections between the main utility lines and the residences or other buildings on each lot shall be concealed and located underground so as not to be visible.
18. An easement is reserved for the benefit of all lot owners of Section II, as indicated on the Subdivision plat, for the purpose of a recreation easement for horseback riding and walking. Lot owners may not in any manner obstruct free passage along this easement;

however, lot owners shall be required to maintain the appearance thereof in keeping with paragraph 15 herein. Plantings within the easement are permitted so long as passage is not obstructed.

19. The discharge of firearms of any size and caliber is hereby prohibited within the Subdivision.
20. The construction and fencing of swimming pools and tennis courts shall be subject to the approval of the Committee and shall be located in a manner so as not to detract from the general appearance of the lot or subdivision.
21. All boundary fences and cross fences other than pool fences as required by County ordinance on the lots shall on the lots shall be approved by the Committee, and shall be constructed of wood, which shall be board or split rail and treated only with brown stain or creosote. Such fences shall be limited to 4 ½ feet in height. All fences along Hunton Lane on either side to be split rail only.
22. These covenants are to run with the land and shall be binding on all parties and all persons claiming under them until January 1, 2020 at which time said covenants shall be automatically extended for successive periods of ten years, unless by a vote of two-thirds of the then record owners of the lots in the Subdivision, Section II, it is agreed to change said covenants in whole or in part.
23. Invalidation of any of these covenants or any part hereof by judgments or court orders shall not otherwise affect the other provisions which shall remain in full force and effect.
24. Irrespective of any other provision herein, Evergreen Farm Development Corporation specifically reserves to itself the right, subject to applicable ordinances, from time to time, to amend, correct or resubdivide any lot or lots shown on the plat recorded in Map Book _____, Pages _____ through _____, so long as any such amendment, correction or resubdivision is, in the opinion of the Board of Directors of Evergreen Farm Development Corporation, in keeping with original intent and purpose of the protective covenants and restrictions as heretofore stated.
25. Improvements in existence on Outlot A on June 1, 1983, shall be considered prior existing nonconforming structures insofar as they might be in conflict with these restrictions. Any additions, whether to existing structures of free standing, shall conform to all protective covenants and restrictions.
